Dear Ted -

Regarding the postage check, it was only suggested this way in order that one check would serve the purpose. Make two checks next time if you wish.

I think probably a $100, minimum is sufficient, but don't believe we will reach this point. Ed Rochette tells me that as soon Bill Henderson returns from vacation, in about ten days, he will have another $500 forwarded to us.

Next committee meeting for ENA committee chairman will be this coming Sunday, April 7, at 2:00 P.M. in the NEVADA ROOM of the El Cortez Hotel. Hope you can make it.....

Sincerely,

Al Baber
